### Program Objective:

This is a course to expose beginner/intermediate athletes to the world of volleyball in a fun and exciting, yet productive environment. The structure of each class will be a brief warm-up, a skill lesson, fun games to practice the new skill, and a cool-down. Throughout the year, we will train students in basic volleyball skills (footwork drills, skills of passing, setting, spiking, and serving), actively cultivate athleticism, nurture team-building, and teach competition strategies.

### About the Teacher :

Emmie has trained nine years in competitive volleyball and the SCVA (Southern California Volleyball Association). She has had countless hours of experience and has amassed numerous skills, such as offensive and defensive strategies, physical strength training, and team communication. She hopes to inspire and encourage kids to find the passion for volleyball that she has found.

Recommended Age: 8-14 years

Time: Sundays from 11:30am - 12:30pm
